CAMBRIDGESHIRE POLICE AUTHORITY

SCHEME OF DELEGATION

Introduction

Local Police Authorities, together with Chief Officers and the Home Secretary, make up the tripartite relationship responsible for the governance of policing in England and Wales.

- The Home Secretary produces an annual policing plan and sets national priorities for policing.
- Cambridgeshire Police Authority provides independent local oversight of police and holds the Chief Constable to account for policing services delivered.
- The Chief Constable is responsible for direction and control of the police force.

Subject to a number of powers which are currently reserved to itself, the business of the Cambridgeshire Police Authority is carried out by Committees and Panels and in accordance with the Scheme of Delegation to the Chief Constable, Chief Executive and Treasurer of the Authority.

Powers are given to the Chief Constable by statute or by virtue of Orders, Rules or Regulations made under Acts of Parliament. Other powers are given to the Police Authority by similar legislation.

This Scheme sets out those functions and decisions for which the Police Authority has given Committees and officers delegated authority to act. The Scheme forms part of the Authority's Corporate Governance Framework and therefore should be read in conjunction with:

- Committee Terms of Reference (included in this document)
- Standing Orders for the Regulation of Police Authority Business
- Police Authority Financial Regulations and delegated limits
- Contract Standing Orders
- Members' Code of Conduct

And in accordance with:

- Policies, principles, procedures, strategies and plans; and
- Budgets of the Authority as in place at the time.

Financial Regulations and Contract Standing Orders have been drawn up to comply with the Code of Practice on Financial Management which has been produced by the Home Secretary and issued under Section 39 of the Police Act 1996. The Code recommends that "*unless there are good reasons to the contrary, Police Authorities should delegate financial management to the Chief Constable so that, as far as possible, the financial management of a force takes place within that force*". This principle has been followed in drafting this Scheme and the Financial Regulations.

The Authority believes that its Scheme of Delegation provides a framework, which ensures the efficient discharge of its business by allowing for decision making at the appropriate level. This in turn enables Members of the Authority to concentrate on carrying out their statutory functions and to deal with issues of strategic importance.

The Authority's Standing Orders, Financial Regulations and Contract Standing Orders also specify powers attributable to the Chief Constable, Chief Executive and Treasurer either individually or jointly. The Scheme of Delegation seeks to identify and clarify those powers which may be exercised by the Authority but which, for the benefit of good business practice, the Authority wishes to delegate to the Chief Constable, Chief Executive or Treasurer. It also sets out any constraints on the above powers, including requirements to report back to or advise the Authority. In addition, the extent to which powers delegated to the Chief Constable, Chief Executive and Treasurer may, at their discretion, be further delegated are included.

The Scheme of Delegation does not include any powers vested in the Chief Constable through Acts of Parliament in relation to criminal or non-operational matters.

The Chief Constable shall be responsible for ensuring the provisions and obligations of the Corporate Governance Framework and this Scheme of Delegation are properly drawn to the attention of staff under his/her direction and control.

The Scheme of Delegation does not attempt to identify all those statutory functions which are contained in specific legislation and regulations.

1. GENERAL PRINCIPLES OF DELEGATION

- 1.1 The powers delegated to the Chief Constable, Chief Executive and Treasurer shall be exercised in accordance with:
- Legislation
 - Standing Orders for the Regulation of Business
 - Financial Regulations;
 - Contract Standing Orders;
 - Policies, principles, procedures, precedents, plans, strategies and budgets of the Authority as current from time to time.
- 1.2 The Authority (and any Committee with power to do so) may require that a specific matter be referred to it for a decision and not dealt with under Delegated Powers.
- 1.3 The delegation of powers to officers under this Scheme does not prevent an officer from referring the matter to the Authority or a Committee for decision if the officer wishes or considers it appropriate. In particular, the Authority expects its officers to draw its attention to sensitive or controversial issues or any matter which may have a significant financial implication.
- 1.4 The Chief Constable, Chief Executive or Treasurer should, when considering a professional or technical matter that is within the sphere of competence of another of these officers, consult with the appropriate professional officer before authorising the action.
- 1.5 In order to avoid any doubt, the following areas of responsibility are reserved to the Authority and thereby are specifically excluded from Delegated Powers:
- The control of any budget sum specified by the Authority as being for the Authority's own use, e.g. for running the Authority itself.
 - The use of the Authority's reserves.
- 1.6 Any reference in this Scheme to any Statutory Instrument or any Section or Regulation thereof shall also be to the same as at any time amended or where such an Act, Instrument, Section or Regulation has been replaced, consolidated or re-enacted, with or without amendment, such reference shall be to the provisions of the replacing, consolidating or re-enacting Statute or Instrument.
- 1.7 All decisions made by officers under powers delegated to them by the Authority shall be properly documented and available for inspection by any Member of the Authority.
- 1.8 References in this document to the Chief Constable, Chief Executive and Treasurer shall include such other officers as may be authorised by them to act on their behalf.

1.9 The Chief Constable shall be responsible for ensuring the provisions and obligations of the Scheme of Delegated Powers are properly drawn to the attention of members of staff under his/her direction and control.
