-------------	-------------	----------------------------------	-----------------	--------------	--------------------	-------------------	-----------------------	--------

- 2.2 For the purposes of reporting on the website, the above information is amalgamated and reported in the format shown below:

Member Name	Basic Allowance	Special Responsibility Allowance	Travel Subsistence & Other Payments	Total Payment Received
-------------	-----------------	----------------------------------	-------------------------------------	------------------------

3. Proposal

- 3.1 In view of the recent public interest in the expense claims of people holding public facing roles, it is suggested that the Authority could publish Members' annual expenses in more detail as shown at 2.1 above.
- 3.2 Publishing the additional information in its original format would be quicker to produce than the current practice of amalgamating the totals.

4. Recommendation

- 4.1 That the additional information available on Members expenses is published on the website
